Engineering Division

**FOR RELEASE: July 27, 2015**

**DPW Construction Projects:  
2015 Handicap Ramp Program  
Installation of Sidewalks and Wheelchair Ramps – various locations**

The Department of Public Works, in conjunction with it's contractor, LaRovere Design/Build Corp., LLC., will be performing work on select streets installing ADA compliant handicap ramps. This work will take place at various intersections as listed below:

**Location**

Crosby St. @ College Ave.  
Crosby St. @ Falmouth Rd.  
Crosby St. @ Frost St.  
Crosby St. @ Old Mystic St.  
Crosby St. @ Upland Rd.  
Cutter Hill Rd. @ Richfield Rd.  
Falmouth Rd. @ Langley Rd.  
Victoria Rd. @ Johnson Rd.

Victoria Rd. @ Radcliffe Rd.  
Victoria Rd. @ Richfield Rd.  
Edgehill Rd. @ Richfield Rd.  
Edgehill Rd. @ Radcliffe Rd.  
Edgehill Rd. @ Johnson Rd.  
Oakhill Dr. @ Ridge St.

**Completed**

Wachusett Ave. @ Florence Ave.  
Paul Revere Rd. @ Davis Rd.  
Oakland Ave. @ Wachusett Ave.  
Appleton St. @ Rhinecliff Rd.  
Mass. Ave. @ Daniels St.  
Ridge St. @ Oakhill Dr.  
Cutter Hill Rd. @ Ridge St.

This work is being performed to improve accessibility to and along the streets of Arlington and will consist of the installation of ADA compliant ramps including detectable warning panels, level landings and transition areas to the existing sidewalks and grades. This work may also include modifications to existing curb lines, sidewalks and grass strips. Construction will progress throughout 2015 and be completed by the end of the 2015 construction season.

As work progresses, informational flyers will be placed at abutting homes notifying residents of the upcoming work and detailing the anticipated impacts. During the times of construction residents should expect some on-street parking restrictions to allow for construction activities & equipment. The contractor will make every effort to keep inconveniences to a minimum and traffic police details will be present to aid in traffic management and roadway safety where necessary. Residents are requested to observe on-street roadway postings and detour signs to aid traffic management efforts. Residents traveling through these areas should plan accordingly, allow for travel delays and should consider alternative routes when possible.

Further notices will be provided to abutters as necessary and updates will be posted online at [arlingtonma.gov/dpwprojects](http://arlingtonma.gov/dpwprojects).

The Department of Public Works would like to thank the residents of Arlington for their cooperation and understanding during this construction process. If you have any questions please contact Vincent Kilcommons at 781-316-3324 or Wayne Chouinard at 781-316-3320
